## USDA Guidance

Per [USDA Memorandum SP 01-2021 Q6](#), schools operating the Summer Food Service Program (SFSP) or Seamless Summer Option (SSO) may sell a la carte foods and beverages, as long as they continue to meet the [Smart Snacks Requirements](#). This also applies to schools operating the NSLP/SBP. Foods and beverages sold in competition with reimbursable meals on the school campus during the school day must meet the Smart Snacks standards described in 7 CFR 210.11, regardless of whether the school operates NSLP/SBP or SFSP/SSO. Schools that are operating grab and go sites in areas outside of the school campus or providing meals before or after the official school day, are not required to meet the competitive food standards.
